

ST COLUMBA'S FAMILIES NEWSLETTER

HELLO FAMILIES OF ST COLUMBA'S

Those of you who made it last Sunday to the afternoon of "bushcraft" at Barn Elms got to enjoy a really lovely occasion. The sun shone, dens got constructed, fire was made and best of all – the marshmallows got toasted. Children and grownups all seemed to appreciate the chance to see each other after a long absence and just relax in the open air. It was an afternoon of simple pleasures and great delight. Big thanks to Gary Wallis for orchestrating the event.

There was definitely a desire to organise another, future, outside get-together, perhaps a picnic in the park, later in the summer. We also hope to offer two dates for Sunday School to meet on Sunday morning, once in May and once in June. As soon as we have detail we will publicise. Reminder: families are welcome to attend Sunday Service even while we cannot provide Sunday School. There are activity sheets provided and it is always lovely to have young people with us during worship.

In the meantime, I hope school is going well and that you can enjoy a fun and relaxing Bank Holiday weekend.

Take care,
Angus & the Sunday School Team

O taste and see that the Lord is good; happy are those who take refuge in him. Psalm 34:8
