

SUNDAY 18TH JULY 2021

ST COLUMBA'S FAMILIES NEWSLETTER

It's the end of term....

HI FAMILIES OF ST COLUMBA'S,

This is the final Families Newsletter before we take a summer break. By the end of next week I think school holidays will have begun for everyone. I hope that will be a fun time, allowing rest and relaxation but also remembering that it can be a busier time than usual for parents – so, some extra helping out at home would be good.

While we haven't be able to meet very much this year there have still been good moments (Sunday mornings in the Upper Hall, cooking marshmallows at Barns Elms, picnic in Hyde Park). Looking back at the newsletters the variety of the pictures reminds me how we travel through the stories of the Christian year (Christmas, to Easter, to Pentecost, to Ascension & Trinity) and how wide our interests can be, either family things at home, or enjoying the big, national events of a particular year. As the pictures show us some of the things we have shared, I hope you find things to be thankful for, even in a difficult year.

Special thanks go to our all our Sunday School helpers, with particular thanks to Fiona Gardner who has selected the weekend activities throughout lock down – and to Lucy for all the support she gives via the Church Office. Finally, thank you for being part of the St Columba's family. Have a great summer and we look forward (hopefully) to welcoming you back properly in September.

Angus & the Sunday School Team
